

SLEEP INN - PIZZERIA UNO

*Queensbury, New York
1999*

CLASITE provided lead consulting services for site planning and development of a 72-unit Sleep Inn Hotel and adjoining Pizzeria Uno. Site design and permitting included Town planning board presentations, coordination with the NYS Department of Health and NYS DEC stormwater permitting.

Design tasks included development of concept alternatives and site construction documents including demolition, site layout, grading and drainage, site lighting, municipal water and sanitary sewer hook ups, pool area and planting plans.
